Chicago-Kent College of Law

VOLUME X, Number 8

FACULTY NEWS

Professor Stuart Deutsch has been chosen by the Chicago Junior Association of Commerce and Industry as one of the ten Outstanding Young Citizens for 1983. These awards are presented to individuals who have made substantial contributions to their profession and community.

The awards dinner will be held on April 7 at the Ritz-Carlton. The reception will begin at 5:30 p.m., followed by dinner and the awards program at 6:30 p.m.

Professor Sheldon Nahmod will be arguing before the United States Supreme Court on March 23, 1983. He will appear on behalf of the respondents in the case of Chardon v. Soto (Docket #82-271). The respondents are school teachers in Puerto Rico who were dismissed from their jobs after an election. The dismissed teachers, members of a political party that lost the election, instituted their suit to recover their jobs and damages resulting from their dismissals. The teachers alleged that they were fired for political reasons; they lost in District Court and prevailed in the U. S. Court of Appeals for the First Circuit.

JUDICIAL EXTERN PROGRAM - SUMMER 1983 & FALL 1983 TERMS

The Judicial Extern Program is open to second and third year law school students. Judicial Externs do legal research and writing for federal and circuit court judges for credit. The Summer externship for both federal and state courts is a two-credit hour course and students work 15 hours per week from May 23 to July 15, 1983. The Fall externship at the federal courts is a three-credit hour course and students work 12 hours per week from August 29 to December 10, 1983. At the state courts, the Fall externship is a two credit hour course and students work eight hours per week from August 29 to December 10, 1983. The judges in the federal courts select their externs and each student is in competition. Students who apply for an externship at the Cook County Circuit Court are placed within one of the divisions by the judge who coordinates the program. Students are limited to a maximum of two semesters (six credit hours) of a judicial externship, general externship or a combination of the two. Students will not be allowed to register for this course until they have a confirmed extern placement. Since these placement decisions are usually not made until April or May for a Summer externship and as late as August for a Fall externship, students will not be able to pre-register for this course. Students interested in this course offering must read the course requirement and application procedure outline available in the Placement Office, room 321, after March 16, 1983. Students who arrange their own judicial externships must also abide by the course requirements and registration procedures outlined in this description sheet. Applications to the judges must be submitted to the Placement Office by 5 p.m. Thursday, March 31, 1983.

SCHOLARSHIP

The Women's Bar Association of Illinois Foundation will award six \$2,500 scholarships to women law students for the 1983-84 school year. The College will be able to nominate two students for this scholarship. If you wish to be considered, you must submit a letter to Dean Berry by 5 p.m., Friday, March 18, stating why you feel you should receive the scholarship, and include information on law school activities, outside activities, personal qualities, financial need and your plans for the future. You must also give Dean Berry permission to release all information the law school has concerning your academic record, LSAT score and undergraduate academic record.

NATIONAL LAWYERS' WIVES SCHOLARSHIP MERIT AWARD

Children and grandchildren of members of National Lawyers' Wives are eligible to apply for the second annual National Lawyers' Wives' Merit Award. The member must be in good standing and the applicant must be enrolled in, or accepted for admission to, a law school in the United States. Interested persons should include with their letters of application: copies of LSAT score; records of academic excellence; and biographical sketch showing aptitude for study of law or professional promise. Applications should be mailed no later than June 1, 1983, to: Mrs. David J. Kolenda, Scholarship Chairman, National Lawyers' Wives, 4845 South 92 Avenue, Omaha, Nebraska 68127.

FINANCIAL AID

All students who want to be considered for financial aid for the 1983-84 academic year should apply as soon as possible. Students who want to be considered for all forms of need-based financial aid (including scholarships, National Direct Student Loans and College Work-Study) must complete the FAF and the IIT Financial Aid Application based on their income tax returns for 1982 (the one due April 15, 1983). A photocopy of that income tax return must be attached to the IIT Financial Aid application when it is submitted to the Office of Financial Aid.

The Financial Aid Checklist, Item #4, refers to the "1983-84 Detail of Educational Expenses Form." Married and independent students are not required to complete this form; it's optional. The function of the "Detail" form is to permit students to show that their actual expenses are higher than those included in IIT's budget calculations (e.g., \$4320 for room and board for 9 months for a single independent student). If you want to use this form, it is available in the Admissions Office and the College Office, as are the FAFs and IIT Financial Aid Applications.

Students who wish to be considered only for Guaranteed Student Loans do not need to complete the FAF. Instead, they should obtain and complete the "GSL Needs Test" form (available in the College Office) and submit that with the IIT Financial Aid Application and income tax return to the office of Financial Aid. All GSL applicants must also obtain and complete an application from their bank and submit to IIT Financial Aid.

Students who are considered dependent on their parents under the Federal guidelines must submit their parents' income tax returns as well as their own. Dependent students may not use the "Detail of Educational Expenses Form" to contest the budget which IIT has established for them.

If you bring your IIT Financial Aid Application and supporting documents to the College Office in a sealed envelope addressed to the Office of Financial Aid, it will be sent to the main campus on the minibus. Please do not bring the FAF to the College Office; it must be sent directly to the College Scholarship Service for analysis.

FINANCIAL AID (cont'd)

Barry Fischer of the Office of Financial Aid is available every Tuesday afternoon in room 327 to answer your questions about financial aid. Dean Kleiman and Dean Berry may also be able to assist you.

It is planned that there will be NDSL monies available for students attending summer school, but this can be applied for only after you have received your award letter for 1983-84 and after you have registered for the summer term.
